CRIBMASTER

Charge and secure your valuable devices.

DevLock™
High Security Charging Locker

Our access-controlled locker solution allows you to monitor distribution of durable items, and charge and manage high-value electronic assets like phones, tablets and laptops.

Features & Benefits

- Each individual locker equipped with a USB plug and universal power outlet
- Can charge and track phones, tablets and up to a 15 in. laptop
- White locker interiors and LED lights allow for maximized visibility
- CribMaster software monitors charging time to ensure that most charged device is dispensed
- Main and auxiliary units available
- Smaller cabinet size makes it ideal for tight workspaces
- Available with a detachable base, allowing for placement on tabletop or work station

Suggested Inventory Items

The DevLock is designed to securely store and charge such items as:

- Laptop computers
- Tablets
- Cell phones
- Small, expensive power tools
